Each BIDDER shall accompany its bid with a bid security as security that the successful BIDDER will enter into a contract for the work bid upon and will furnish after the award of CONTRACT a corporate surety bond, acceptable to the OWNER, for the faithful performance of the CONTRACT, in an amount equal to 100 percent of the amount of the CONTRACT. The bid security shall be in the amount of five (5) percent of the amount of the CONTRACT and shall be in the form of a cashier's check, or certified check drawn on a state chartered or federally chartered bank, or a certified share draft drawn on a state-chartered or federally chartered credit union. The Bid Bond shall contain no exceptions.

By virtue of statutory authority, a preference will be given to products and provisions grown and coal produced within the State of Iowa and to Iowa Domestic Labor, to the extent lawfully required under Iowa statutes.

OWNER is designated a Tax Exempt Entity. As such, CONTRACTOR, and any subcontractors, under this contract, shall be provided a Tax Exempt Certificate and authorization letter from the OWNER. Tax Exempt certificate and authorization letter shall be used by CONTRACTOR to secure building materials or equipment intended for completion of this project without payment of sales tax. CONTRACTOR is not mandated to complete Iowa Department of Revenue Form 35002 – Iowa Contractor's Statement upon execution of agreement. CONTRACTOR agrees to this method of sales tax exemption and it shall not be modified during the course of construction.

BIDDER shall satisfy themselves of the accuracy of the estimated quantities in the BID schedule by examination of the site and review of the contract documents; including ADDENDA. After BIDS have been submitted, the BIDDER shall not assert that there was a misunderstanding concerning the quantities of WORK or nature of the WORK to be done.

The successful BIDDER shall be required to furnish a performance BOND and a payment BOND, each in the amount of 100 percent of the CONTRACT PRICE, with a corporate surety approved by the OWNER, within ten (10) calendar days of the date when the NOTICE OF AWARD is delivered to the BIDDER. The NOTICE OF AWARD shall be accompanied by the necessary

AGREEMENT and BOND forms. In case of failure of the BIDDER to execute the AGREEMENT, the OWNER may at his option consider the BIDDER in default, in which case the BID BOND shall become property of the OWNER.

BIDDERS must indicate on the BID form the proposed equipment and subcontractors who will be performing the major portions of the work.

No BID submitted by any BIDDER which contains a condition or qualification shall be recognized or accepted by the OWNER and any letter or communication accompanying the BID which contains a condition or qualification upon the BID which has the effect of qualifying or modifying any provision of the contract documents in any manner will be construed as a qualifying BID and will be rejected by the OWNER as non responsive.

Any bidder or equipment supplier who firm or affiliate is listed in the GSA publication "List of Parties Excluded from Federal Procurement and Non-procurement Programs" will be prohibited from the bidding process. Anyone submitting a bid who is listed in this publication will be determined to be a non-responsive bidder in accordance with 40 CFR Part 31.

A contractor's Suspension/Debarment Certification will be contained in the specifications; however, this certification should not preclude any interested party from ascertaining whether the certifying person is actually on the "List of Parties Excluded from Federal Procurement and Non-procurement Programs."

By the submission of its bid, each bidder acknowledges that he understands and agrees to be bound by the equal opportunity requirements of EPA regulations (40 CFR Part B, particularly Section 8.4(b)), which shall be applicable throughout the performance of work under any contract awarded pursuant to this solicitation. Each bidder agrees that if awarded a contract, it will similarly bind contractually each subcontractor. In implementation of the foregoing policies, each bidder further understands and agrees that if awarded a contract, it must engage in affirmative action directed at promoting and ensuring equal employment opportunity in the workforce used under the contract (and that it must require contractually the same effort of all subcontractors whose subcontracts exceed \$10,000). The bidder understands and agrees that "affirmative action" as used herein shall constitute a good faith effort to achieve and maintain that amount of minority employment in the on-site workforce used on the project which corresponds, for each trade used, to the minority population in the serving labor market area from which workers are reasonably available for hire for the project.

No bidder may withdraw his bid within 60 days after the actual date of the opening thereof

OWNER reserves the right to waive any informalities or to reject any or all bids.
